

# Patrick Heisinger

Sr. Technical Specialist at BJC Healthcare

pdh@heisinger.net

---

## Summary

Interests: Mobile Device Security and Integrating Mobile Devices into corporate networks Integrating Cloud solutions into corporate iT environments Security of "Big Data" and using Big Data concepts in information security Identity and Access Management Systems Creating and Implementing Technical Security Policies

---

## Experience

### **Sr. Technical Specialist at BJC Healthcare**

December 1992 - Present (23 years 1 month)

Information Security Architecture and Technology 2003-present: Activities included security policy development, intrusion prevention and detection, incident investigation/forensics, single sign-on, internal security consulting to applications projects. Network Architecture and Engineering 1992-2003: Designed, implemented, and supported regional and local data networks for 11 hospitals.

### **Principal Specialist at McDonnell Douglas**

January 1981 - December 1992 (12 years)

Designed, implemented, and supported enterprise data communications networks for aerospace manufacturing. Prior to joining the network group held positions in Scientific Applications and Systems Programming

### **Industrial Engineer at US Navy (civil service)**

June 1978 - June 1979 (1 year 1 month)

Performed engineering analysis on naval weapons systems

---

## Skills & Expertise

**Security**

**Networking**

**Information Security**

**Integration**

**Process Improvement**

**Unix**

**Windows**

**Disaster Recovery**

**Project Management**

**Linux**

**Troubleshooting**

**Mobile Device Management**  
**Risk Assessment**  
**Wireless Security**  
**Wireless Networking (Wifi and Cellular)**  
**Firewalls**  
**Network Security**  
**Windows Server**  
**VPN**  
**Network Architecture**  
**Hardware**  
**Cloud Computing**  
**Information Technology**  
**Windows 7**  
**Routers**  
**Servers**  
**VMware**  
**Active Directory**  
**Virtualization**  
**Citrix**  
**Visio**  
**Computer Security**  
**Software Documentation**  
**Cisco Technologies**  
**Data Center**  
**Network Administration**  
**System Deployment**  
**IT Management**  
**ITIL**  
**DNS**  
**System Administration**  
**SharePoint**  
**Microsoft Exchange**  
**CISSP**  
**Windows XP**  
**DHCP**  
**IT Operations**  
**TCP/IP**  
**VMware ESX**

---

## Certifications

### **CISSP**

ISC2 License 36186 October 2011 to October 2014

### **CRISC**

ISACA License 1002130 November 2010 to January 2014

### **ITIL Version 3 Foundation**

## Education

### **University of Missouri-Columbia**

MSIE, Industrial Engineering, 1979 - 1981

### **University of Missouri-Columbia**

BSIE (cum laude), Industrial Engineering, 1974 - 1978

Activities and Societies: AIIE

---

## Honors and Awards

ISSA Senior Member
