1 person has recommended Dennis

"I've known Dennis for almost 10 years and he worked directly with me for 3 of those years. Dennis is an outstanding visionary and couples that with top-notch communication skills that enable customers and co-workers to understand and buy-in to his leadership and direction. Dennis provides a positive attitude to any environment and understands how to "connect the dots" leading to focused goals and results driven outcomes on all projects he is associated with. I would highly recommend his involvement in any opportunity."
