Charles Platt

Black Belt Leadership Fellow at Navicent Health

3 people have recommended Charles

"As a new healthcare supply chain professional I thrive on current and innovative tools as well as networking. Charles has introduced me to incredible resources I routinely include in my professional toolbox. Charles is an awesome resource and a remarkable mentor. *I think Charles is the real catalyst for renovating and improving healthcare supply chain practices! His leadership has been instrumental in my professional growth in healthcare supply chain and logistics."

— **Pete K.**, was with another company when working with Charles at Medical Center of Central Georgia

"Example: Charles is a professional, detail-oriented manager who always kept his eye on the bottom line while treating vendors fair and with respect."

— **Paul T.**, was a consultant or contractor to Charles at Medical Center of Central Georgia

"Charles is a very well trained Health Care Management Professional and a gentleman."

— **Bob K.**, worked with Charles at Medical Center of Central Georgia
