

# Brian Whorley

Serving mid-Missouri @ Boone Hospital Center for 10+ years.

---

## Summary

Interests: Healthcare & Entrepreneurship.

Background: Everyone needs healthcare at some point in their lives. I help Boone Hospital Center and affiliated practices to be the healthcare providers that people choose when they need care. I also successfully co-founded, a grew a software-as-a-service (SaaS) business (created in 2007 - acquired in Sept 2014).

---
