

The membership of the University of Missouri's IMSE Hall of Fame, established in 2008, has grown to 59 members strong. We are excited about the leadership role that the IMSE Hall of Fame can play as active advocates in helping with the future priorities of the IMSE departmental and program objectives. We truly believe that we can make a real difference in the success of our University of Missouri IMSE department and its students. See more detail on our IMSE Hall of Fame at <https://engineering.missouri.edu/departments/industrialmanufacturing-systems/imse-hall-fame/>.

With that purpose in mind, we need to continue to build our base of qualified IMSE graduates deserving of recognition as a Hall of Fame member. As a graduate of the IMSE department and Hall of Fame Member, we believe that you are in a position to help identify potential nominees for this year's 2020 IMSE Hall of Fame inductees who will be honored in mid-October.

We would like to personally challenge each of you to think of your classmates or other IMSE graduates who you believe should be considered for our Hall of Fame. Let's work together to identify those remarkable individuals who should join our group as IMSE Hall of Fame members. Just one person would be a big help and remember you don't have to know the person to make a recommendation.

Here's all you need to do. Complete the attached IMSE Hall of Fame nomination form for each potential candidate – fill in what you know, we will work to close the gap on what you don't. Instructions including qualifications are on the form. If you need a "memory jog" for your past classmates, you can call or email Amy Rhea (rheaa@missouri.edu, 573-882-2691) and she can provide helpful information consistent with privacy policies. Please respond with your nominations by April 3, 2020 so that we can begin to review and start the process of reaching out.

On behalf of the IMSE Hall of Fame Board and the IMSE Department, we really appreciate your help identifying new potential members for our IMSE Hall of Fame.

Thanks ... and Go Tigers!

Karen Hamilton
Membership Chair
